REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE AND SUPERINTENDENT OF SCHOOLS

To the Citizens of Whitefield —

To relieve the overcrowded condition of the Plains School the Superintending School Committee has moved the pupils of that school to Kings Mills. This change has not only given a larger, better lighted room for study, but has also made it possible for the lower grades to occupy one schoolroom while the upper grades are taught in another. This change enables the teacher to devote more time to individual instruction and allows nearly double the time for each class taught during the day.

The committee may close a school for one year, but if the school is to remain closed, the procedure requires a special vote at Town Meeting. It is hoped that the Town will see fit to close the Plains School permanently.

You will note from the Annual School Report that the Town is receiving an equalization of \$1,572.00 from the State for 1946. This equalization is apportioned each year to the towns in the state, wherein the rate of taxation in excess of the average rate of the towns of the state fails to produce a school revenue sufficient to provide adequate funds for the maintenance of a minimum educational program.

New English books have been purchased for the seventh and eighth grades of the town and it is hoped to purchase more of these texts next year. With the new demands placed by high schools and colleges on this subject it is becoming increasingly important that the pupils are well trained in the grade schools.

The North Whitefield school room has a new ceiling and new walls which make it much more comfortable in cold weather. The seating arrangement has been changed and by taking down one of the partitions an extra window has been added to the schoolroom.

A new ceiling has been placed in the Keyes Corner school room and all school buildings in town have been painted inside. Clean, well painted class rooms are highly appreciated by the teachers and pupils alike.

Careful appraisal of the adequacy of the schools to meet the needs of the pupils and the welfare of the nation is a continuing year by year responsibility that cannot be lightly passed by at any time. It is only through careful planning and cooperation that we can achieve the ultimate demands placed on modern education in this changing age.

We wish to thank the teachers and parents for their kind cooperation throughout the past year.

Respectfully submitted,

A. H. SNOW,
Superintendent of Schools.

Respectfully submitted,

JOHN E. McCORMICK,

Collector

TOWN OF WHITEFIELD FOR YEAR 1946

GREETINGS:

The cessation of war activities, political changes, strike conditions with its obvious unemployment, causes us to realize that many people will be compelled to lower their standards of living. These people, previously working and living in large industrial areas, will be returning to the smaller communities. Some will be able to carry out an improved standard of living; others, less wise, a lower standard. Communicable disease is on the upswing in many places. Therefore, with these factors in mind, it would appear that the health of our community is a very vital thing, needing the constant cooperation of the community with the State through the Public Health Nursing Service.

Report of Nursing Service for 1946:

18 days of Nursing Service were allocated to your town. Home visits to teach the principles of good health habits; visits to children needing Crippled Children's and Pediatric Clinic service; special programs in the schools and Community comprised the Health Program.

3 Child Health Conferences were held and plans were made to continue and extend this service in 1947. At each Child Health Conference the individual child was given a complete physical examination and offered immunization against smallpox, diptheria and whooping cough.

This service, together with the 3 Immunization Clinics, one of which was held in 1945 and two this year, enabled 51 children to be protected against smallpox, 62 against diptheria, and 34 against

whooping cough. Several children have not completed their immunization and many parents have not availed themselves of these opportunities.

Annual Tuberculin Testing of all children whose parents gave consent, was done with a total of 140 children tested. 9 were X-rayed as indicated by a positive reaction to test. These children are being followed to improve their general health habits.

Audiometer testing for hearing loss to part of the schools resulted in finding one child with a possible deafness. The remaining schools are to be given the tests this coming Spring.

Some progress has been made in thinking towards the formation of a Local Health Council, and, if formed, this Council would be invaluable towards extending better service to your community.

Therefore, the following is suggested for 1947:

1. Formation of a Local Health Council.
2. Regular Child Health Conferences.
3. Annual Tuberculin Testing in all schools.
4. Audiometer testing for hearing loss in schools not previously tested.
5. Immunization Clinic, if indicated.

In making the foregoing report of the Service for 1946, may I, as your Public Health Nurse, thank you for your past cooperation and urge a continuation of this loyal support for 1947.

Respectfully submitted,

EUNICE S. NOLLET.
Public Health Nurse.

Town Warrant

To PAUL BURNS, a Constable in the County of Lincoln and the State of Maine:

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Whitfield, qualified by law to vote in Town affairs, to meet at the Town House in said Town on the third day of March, A. D. 1947, at ten o'clock in the forenoon to act on the following articles, to wit:

- Art. 1. To choose a moderator to preside at said meeting.
- Art. 2. To choose a clerk.
- Art. 3. To hear and act on reports of the several town officers.
- Art. 4. To elect Selectmen, Assessors, and Overseers of Poor.
- Art. 5. To elect a Treasurer.
- Art. 6. To elect one or more Road Commissioners.
- Art. 7. To elect a Collector of Taxes.
- Art. 8. To fix a time when the taxes of 1947 shall be paid in full.
- Art. 9. To elect one or more members of the School Committee.
- Art. 10. To elect one or more Fire Wards and Inspectors.

Art. 11. To elect one or more Constables.

Art. 12. To choose all other necessary Town Officers.

Art. 13. To see what sum of money the Town will grant and raise for the support of Common Schools, for tuition for High School pupils, for text books and supplies.

Art. 14. To see what sum of money the Town will grant and raise for repairs of school buildings for the ensuing year.

Art. 15. To see what sum of money the Town will grant and raise for the support of the Poor for the ensuing year.

Art. 16. To see what sum of money the Town will grant and raise for Town Officers' salaries, and for incidental expenses for the ensuing year.

Art. 17. To see what sum of money the Town will appropriate to decorate soldier's graves in Town.

Art. 18. To see what sum of money the Town will grant and raise for street and school lights in Town.

Art. 19. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes should the same become necessary.

Art. 20. To see if the Town will authorize the Selectmen on behalf of the Town to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, for such terms as they deem advisable, and to execute quit-claim deeds for such property.

Art. 21. To see what sum of money the Town will grant and raise for repairs on roads and bridges for the ensuing year.

Art. 22. To see what sum of money the Town will grant and raise for maintaining the improved sections of third class highways, for patrolman, and for cutting bushes on third class roads for the ensuing year.

Art. 23. To see what sum of money the Town will grant and raise for snow bills for the ensuing year.

Art. 24. To see if the Town will vote to let the snow plowing out by contract.

Art. 25. To see if the Town will vote to fix the wages of men, teams and trucks on the highway, and the salaries of the several Town Officers for the ensuing year.

Art. 26. To see whether or not the Town will vote to raise and appropriate the sum of twenty-five dollars (\$25.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 20, Section 95, of the Revised Statutes of Maine.

Art. 27. To see if the Town will vote to close the Plains School.

Art. 28. To see if the Town will vote to re-open the High School room at King's Mills, the same to be used to house Grades 4-8 inclusive.

Art. 29. To see what sum the Town will raise and appropriate for State Aid road construction (in addition to the amounts regularly

raised for the care of ways, highways and bridges) under the provisions of Sections 25 and 29, Chapter 20, R. S. 1944 as amended.

Art. 30. To see if the Town will raise and appropriate \$85.00 for public health nursing in Whitefield, said sum to be expended by the State Bureau of Health for local service.

Art. 31. To see if the Town will vote to authorize the Selectmen to settle the matured tax liens in the hands of the Treasurer.

Art. 32. To see if the Town will grant and raise \$258.00 to pay Charles Nelson, Attorney, for services and expense in the Ford versus Whitefield case.

Art. 33. To see if the Town will grant and raise a sum of money to move the Emerson garage.

Art. 34. To see if the Town will appoint a committee of seven to study and investigate the building of a Consolidated School and empower said committee to make a full report of their findings at the next annual town meeting.

Art. 35. To see what sum of money the Town shall grant and raise for fire protection, the same to be divided equally between Coopers Mills, North Whitefield and Kings Mills.

Art. 36 To see if the Town will vote to raise and appropriate the sum of \$2000.00 under the provisions of Sections 130 to 134 inclusive, Chapter 80, of the Revised Statutes of 1944 to be expended solely for consolidated school building purposes.

Art. 37. To see if the Town will vote to adopt the Australian Ballot System for electing Town Officers.

The Selectmen will be in session at the Town House in Whitefield at nine o'clock in the forenoon on the day of said meeting for the purpose of correcting the list of voter in said Town.

Hereof fail you not and have you there and then this warrant with your doings thereon.

Given under our hands in the said Town of Whitefield, this tenth day of February, A. D., 1947.

June 23, 1947

To the Inhabitants of the Town of Whitefield, Maine:

As requested by your Board of Selectmen, I have made an examination of the accounts of the various Town Officials for the year ending February first 1947.

These include the records of the Tax Collector and Treasurer, a copy of which I attach hereto, together with various exhibits.

The attached Balance Sheet represents, in my opinion, the true financial condition of the Town.

I am sending a duplicate of this report to the Bureau of Municipal Audit at the State House.

Respectfully submitted,

S. S. WEBSTER

TOWN OF WHITEFIELD FOR 1947

Greetings:

The State Bureau of Health through its Public Health Nursing Services, offers all its resources for teaching the members of the communities a good basis standard of healthful living. The nursing service covers home visits, Child Health Conferences, school work, tuberculin testing, Venereal Disease Control, Crippled Childrens' Clinic, Hard-of-Hearing, Pediatric Clinic services and assistance with the Communicable Disease Control Program. Many families have availed themselves of this service and have secured help with their health problems. However, a large percentage of the town is not using the service. We wish to invite those members to participate for our mutual benefit.

18 days of Nursing Service were spent in your town, carrying out the above outlined health supervision.

6 Child Health Conferences were held. A total of 66 conference visits. Infants and pre-school children received physical examinations; 20 were vaccinated against smallpox, 13 were immunized against whooping cough and 16 against diphtheria. The above figures indicate the value of the Child Health Conference Service; but also show that, in comparison to the infant and pre-school population, it could be more valuable to your town if all families were to participate.

Audiometer testing for hearing loss was done in the schools. Out

of 72 tests, 4 children were found to have definite hearing loss. These children were examined by specialists at the Hard-of-Hearing clinic, and where indicated, corrective work has been done.

Tuberculin testing, also was done in the schools. 152 tests resulted in 5 positive reactors who have been routinely x-rayed with no active symptoms of tuberculosis discovered. Home visits, for health supervision with yearly x-rays, when recommended, will be continued.

One of the outstanding needs of the community appears to be the organization of a Local Health Council. This is an organized group, interested in health, comprised of a representative membership from all local organizations and interested townspeople who, in studying the health needs of the community and the facilities offered by the State Bureau of Health, will coordinate the program for more effective service. Many attempts have been made to interest the community for this Local Health Council formation.

The following is suggested for 1948:

1. Organization of a Local Health Council.
2. Child Health Conference Service extended to all families.
3. School Program with stress on a Dental Program.
4. Any other health project suggested for the benefit of the town.
5. Town-wide immunization for smallpox, diphtheria and whooping cough.

In making the above report, I wish to thank those who gave such loyal support during 1947.

Respectfully submitted:

EUNICE S. NOLLET

Public Health Nurse

REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE AND SUPERINTENDENT OF SCHOOLS

The school maintenance appropriation for 1947 was \$10,100.00 and the State valuation for 1946 was \$486,000.00. Dividing the appropriation by the valuation we arrive at a local tax rate of .02078. Since this figure is below the average of the towns in the State we will not receive equalization next December 15. From this figure is also obtained the amount of money which the town will receive from the State for each teaching position. This tax rate will place the town in the 18 to 20 mill bracket which means that we will receive \$580.00 per teaching position for the year 1948. This subsidy will be paid by the State if teachers that are certified receive \$1,500.00 per year, three year normal graduates \$1,600.00 and 4 year college graduates \$1,700.00.

The present tuition law provides for a \$150.00 maximum for high school students. One high school in this area is now charging \$133.06 per year tuition and in all probability will charge more next fall. We now have 34 pupils from the town attending high school and only five of this number are to graduate in June. There are at present 17 pupils enrolled in our eighth grade who will enter high school in the fall. From this data we find that the town will have to pay tuition on approximately 46 students when school opens next September.

In the annual report we listed \$58.40 paid out under special project. This expense is authorized by the State and will be refunded next December 15 with the school fund. Fifty dollars of this money was paid out for one teacher attending summer school, while eight dollars and forty cents was for travel of the Superintendent to attend a planning conference at Poland Springs.

It is very necessary for the teacher and pupils to start school

in a well heated room during these cold months if the school work is to be efficiently carried out. It is not good business to pay out money for a well trained teacher and ask her to stand around in the school room on cold mornings until it is warm enough to assume the class work. In view of that fact the committee has hired outside help to build the fires during the winter. In most cases it has been possible for the pupils to commence their work promptly at nine o'clock in a well heated schoolroom.

The committee made a careful survey of the schoolhouses and noted down the repairs that should be made in order to assure the teacher and pupils a comfortable, well lighted room for their work. Carpenters were secured and the work completed before the opening of school in the fall. We shall ask for sufficient funds to carry on this work as it is all necessary for the welfare and comfort of the boys and girls attending school.

We wish to thank the teachers for their kind cooperation throughout the year and assure them that their efforts for better schools have been highly appreciated. We feel that we have been very fortunate in securing the services of well trained teachers who have worked very hard for the educational advancement of the boys and girls in the community.

No profession requires greater native talent than teaching children. No calling demands more understanding and patience or a greater store of information. No practitioner needs more highly specialized knowledge or artistic skill than does the teacher. Those who teach should represent the nations best talent because the qualities of the teacher are inevitably translated into the life of the child. Yet the teacher cannot do the work alone. If the education of boys and girls is to be truly successful it calls for the full cooperation of the parents, the school and the community.

Respectfully submitted,

A. H. SNOW, Supt. of Schools

REPAIRS ON SCHOOL BUILDINGS

It is very necessary for the pupils and teachers to have clean, warm and well lighted buildings in which to do their work. If pupils enter a clean class room in the fall they take pride in keeping it clean and attractive but if they enter a building which has been allowed to depreciate they do not have interest to keep the room in good, clean order. In view of that fact we have made the following repairs on the school buildings for the past year:

Kings Mills School Building

All walls and ceilings up stairs have been painted. The fire escape has been painted and glass puttied in all the windows. The foundation of the woodshed was bad and that has been re-

paired. The leak in the roof has been fixed and new curtains have been bought for the class rooms.

North Whitefield Schoolhouse

The ceilings and walls have been washed and painted. The sink and blackboards have been repaired. The floor has been oiled and the seats have been repaired.

Church Schoolhouse

The partition in the hallway has been removed to make more room for a larger registration of pupils. Blackboards have been painted and new curtains have been placed in the room.

Keyes Corner Schoolhouse

The sink has been repaired and painted and the roof has been fixed. Glass has been puttied in the windows and many minor repairs have been made in the class room.

Coopers Mills Schoolhouse

A new door has been made for the woodshed. The sink has been painted and the ceiling of the book room has been repaired. Many minor repairs have been made on the seats, doors and windows.

We would like to paint the No. Whitefield Schoolhouse this year and would also like to put up a new ceiling in the book room at Coopers Mills. The shed at Kings Mills needs to be repaired more extensively and the foundation of the main building has been pushed out of place by the frost. In order to make the above repairs and put the other class rooms in clean order for the opening of school next September we should have \$500.00 appropriated by the town for repairs.

Town Warrant

To PAUL BURNS, a constable in the County of Lincoln and the State of Maine:

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Whitefield, qualified by law to vote in Town affairs, to meet at the Town House in said Town on the first day of March, A. D. 1948, at ten o'clock in the forenoon. (At the last Annual Town Meeting it was voted to adopt the Australian Ballot System, under the law the polls have to kept open four hours), to act on the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To hear and act on the report of the several town officers.

Art. 3. To elect:

Town Clerk

Selectmen, Assessors and Overseers of Poor

Treasurer

Road Commissioner

Collector of Taxes

A member of the school committee for three years.

A Fire Ward and Inspector

Two Constables.

Art. 4. To choose all other necessary Town Officers.

Art. 5. To fix a time when the taxes of 1948 shall be paid in full.

Art. 6. To see if the Town will vote to discount all taxes of the current year, two percent if paid on or before a date to be set by a vote at this Town Meeting.

Art. 7. To see what sum of money the Town will grant and raise for repairs and cutting of bushes on town roads.

Art. 8. To see what sum of money the Town will grant and raise for repairs on bridges.

Art. 9. To see what sum of money the Town will raise and appropriate for patrolman for ensuing year.

Art. 10. To see what sum of money the Town will grant and raise for the support of common schools, for tuition for High School pupils, and for text books and supplies.

Art. 11. To see what sum of money the Town will grant and raise for repairs of school buildings for the ensuing year.

Art. 12. To see what sum of money the town will grant and raise for the support of the poor for the ensuing year.

Art. 13. To see what sum of money the Town will grant and raise for town officers salaries for the ensuing year.

Art. 14. To see what sum of money the Town will grant and raise for incidental expenses for the ensuing year.

Art. 15. To see what sum of money the Town will appropriate to decorate soldiers graves in town.

Art. 16. To see what sum of money the Town will grant and raise to purchase gravel to be used on Special Resolve and Unimproved Roads in the Town of Whitefield for the ensuing year.

Art. 17. To see what sum of money the Town will grant and raise for the suitable maintenance of Third Class roads in the Town of Whitefield for the ensuing year also what sum of money the Town will grant and raise for the cutting and removal of bushes on the Third Class roads.

Art. 18. To see what sum of money the Town will appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provision of Section 25 and 29, Chap. 20 R. S. 1944, as amended.

Art. 19. To see what sum of money the Town will raise and appropriate for the cutting and disposal of bushes on those town roads accepted by the State for snow removal.

Art. 20. To see if the town will raise and appropriate \$85.00 for Public Health Nursing in Whitefield, said sum to be expended by the State Bureau of Health for local service.

Art. 21. To see what sum of money the Town will raise and appropriate for the three fire departments in town.

Art. 22. To see whether or not the Town of Whitefield will raise and appropriate a sum of money to aid in the maintenance of the Gardiner General Hospital.

Art. 23. To see if the Town will raise and appropriate \$100.00 to be used as prize money, and operating expenses for an exhibit of vegetables and flowers for the children of Whitefield,

the same to be spent under the supervision of the Selectmen of Whitefield.

Art. 24. To see what action the Town will take with reference to raising the necessary money to cover the street lighting service in the Town of Whitefield for the ensuing year.

Art. 25. To see whether or not the Town will vote to enter into a contract with Central Maine Power Co. for a term of ten years, whereby, in consideration of the furnishing of street lighting service to the Town during the term of said contract, all as more fully set forth in the contract, copy of which has been presented to this meeting, the Town will pay for such street lighting service in accordance with the Company's municipal street lighting contract basis.

Art. 26. To see what action the Town will take with reference to authorizing the Selectmen to execute and deliver contract referred to in the preceeding article.

Art. 27. To see what sum of money the Town will grant and raise for snow and ice bills for the ensuing year.

Art. 28. To see whether or not the Town will vote to raise and appropriate \$25.00 to be paid to the Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the Provisions of Chapter 20, Section 95 of the Revised Statutes of Maine.

Art. 29. To see if the Town will vote to appropriate the sum of \$200.00 to cooperate with the Maine Forest Service and the Federal Government in the control of the White Pine Blister Rust in accordance with the Revised Statutes, Chapter 32, Sec. 54.

Art. 30. To see if the Town will vote to reconstruct the Albee and Hickey bridges with the aid of the State and County.

Art. 31. To see what sum of money the Town will raise and appropriate towards the Town's share of expense for the reconstruction of the Albee and Hickey bridges.

Art. 32. To see if the Town will vote to authorize the Selectmen to hire money for the reconstruction of the Hickey and Albee bridges — the same to be raised and appropriated at a later date.

Art. 33. To see if the Town will vote to authorize the Selectmen to contract the snow breaking for a period of one to three years.

Art. 34. To see if the Town will authorize the Selectmen on behalf of the Town to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, for such terms as they deem advisable and to execute quit-claim deeds for such property.

Art. 35. To see if the Town will vote to authorize the Selectmen to hire money for the operating expense of the Town should the same become necessary.

Art. 36. To see if the Town will vote to revert the \$200.00 raised for a Town History at a town meeting March 2, 1914, back to the General Fund.

Art. 37. To see if the Town will appoint a committee of five to study and investigate the building of a consolidated school and empower said committee to make a full report of their findings at the next Town meeting.

Art. 38. To see if the Town will authorize the Selectmen to

settle the matured tax liens in the hands of the Treasurer.

Art. 39. To see if the Town will appoint a committee of three to work with the Selectmen in making up a proposed budget for the next Town meeting, same to be printed in the Town Report.

Art. 40. To see if the Town will vote to close the section of town road from the Northey Schoolhouse to Edward Toussant's and the section of road leading from the Theodore Chisham farm to Linton and Pye residence; also section of town road leading from the residence of Frank and Norman Crocker to the MacDonald farm on Crocker Ave.

Art. 41. To see if the Town will vote to close the Plines school.

Art. 42. To see if the Town will vote to reclassify the road leading from the Catholic Church to the Chelsea town line from third class to State Aid.

Art. 43. To see if the Town will vote to fix the wages of men, teams and trucks on the highway, and the salaries of the several Town officers for the ensuing year.

Art. 44. To see if the Town will vote to use the Australian Ballot System for electing Town Officers in 1949, or some other system.

Art. 45. To see if the Town will vote what officers shall be elected by the Australian Ballot System, and how many of each.

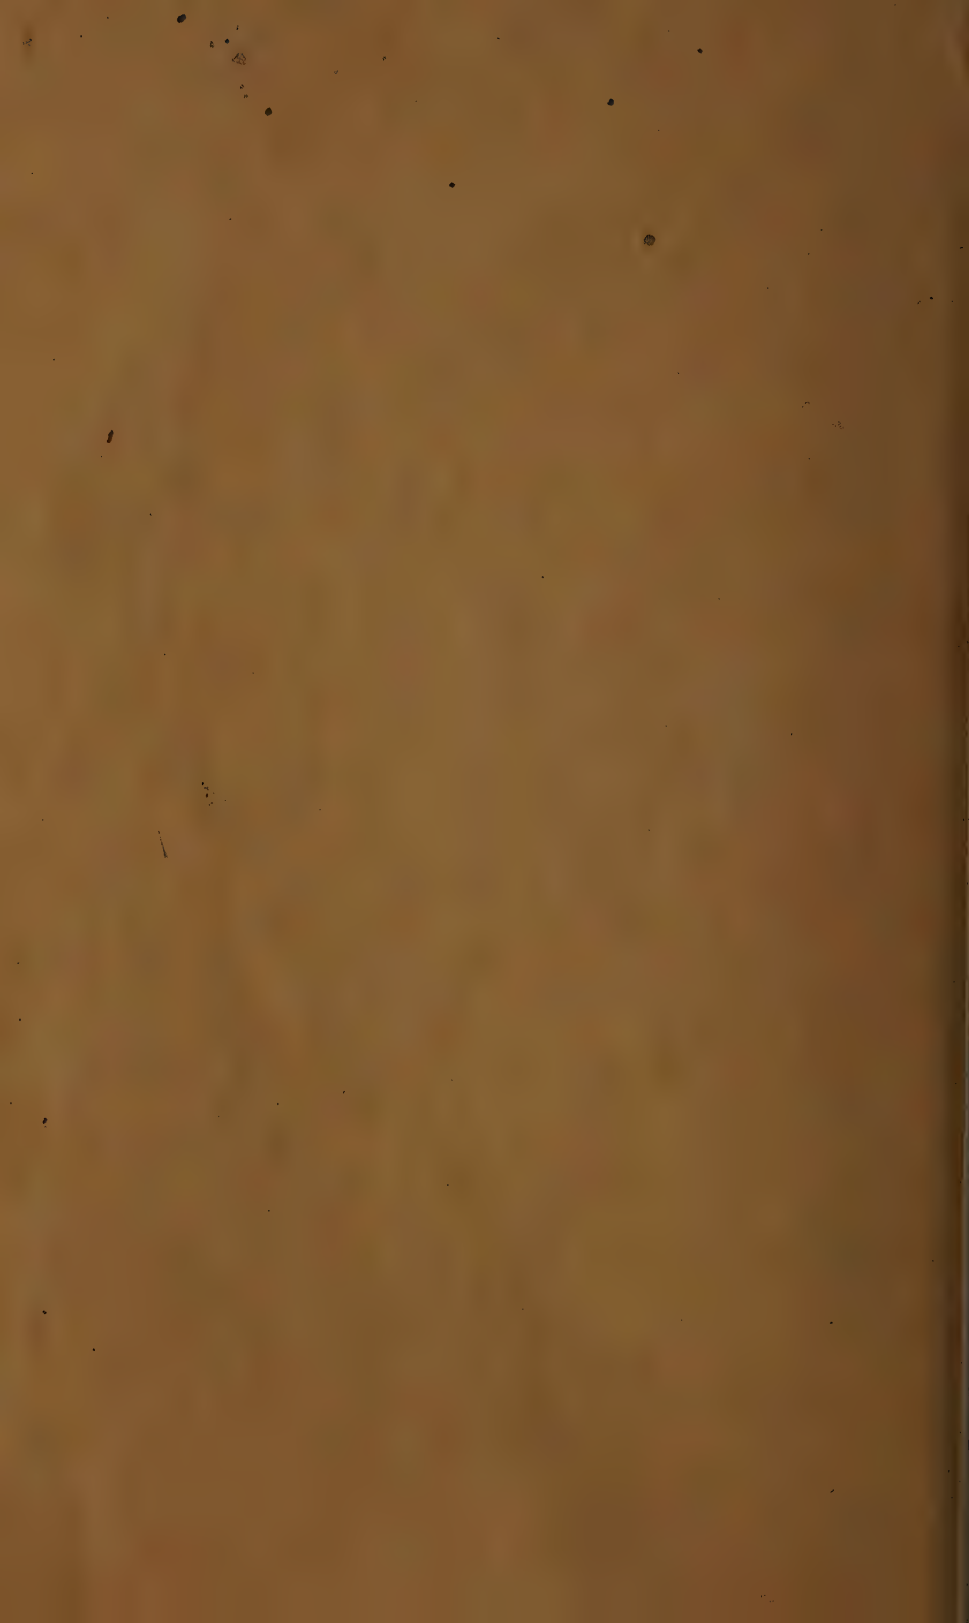

The Selectmen will be in session at the Town House in said Whitefield at nine o'clock in the forenoon on the day of said meeting for the purpose of correcting the list of voters in said Town.

Hereof fail you not and have you there and then this warrant with your doings thereon.

Given under our hands in the said Town of Whitefield this ninth day of February, A. D. 1948.

The following is the Comparative Balance Sheet of February 1, 1948, together with a letter of transmittal from the auditor. The complete report may be seen at the Town Clerk's Office.

Augusta, Maine
May 25, 1948

To the Inhabitant of the Town of Whitefield, Maine:

As requested by your Board of Selectmen, I have made an examination of the accounts of the various Town Officials for the year ending February first, 1948.

These include the records of the Tax Collector and Treasurer, a copy of which I attach hereto, together with various exhibits.

The attached Balance Sheet represents, in my opinion, the true financial condition of the Town.

I am sending a duplicate of this report to the Bureau of Municipal Audit at the State House.

Respectfully submitted,

S. S. WEBSTER.

WHITEFIELD PUBLIC HEALTH NURSING ANNUAL REPORT — 1948

1949! Radio commentators predict "no depression, a prosperous business year with production high in military supplies." What does this mean to us who are interested in the Health of the Nation?

In the opinion of your nurse, an opinion shared by all of the leading health organizations, International, National and State, it means more careful study of our community health needs, more participation by all members of the community in planning and carrying out a better health program. Organization of an active, well-represented Local Health Council is indicated, as one Public Health Nurse assisted by a few willing workers can-

not hope to establish the results of a well-organized committee. In brief, we need to plan together, work together, and succeed together.

Your Public Health Nurse thanks all town officials, school personnel and members of the community for their interest and assistance in the past year. It has been a pleasure to serve you.

The following is a report of the health activities for 1948:

No. of days in town	16
No. of home visits	40
No. of Immunization Clinics	3
No. vaccinated against smallpox	71
No. immunized against diphtheria	104
No. immunized against whooping cough	43
No. of school visits	19
No. of interviews with town officials, school personnel	21

Child Health Conference services were not offered this year. This again points to the need of a Local Health Organization, as professional services are too costly to be used in work that can and should, be done by lay-members.

Respectfully submitted,

EUNICE S. NOLLET, R. N.

Public Health Nurse.

REPORT OF THE SUPERINTENDING SCHOOL COMMITTEE AND SUPERINTENENT OF SCHOOLS

The local school tax rate for the Town of Whitefield for 1948 is .02964 while the average school tax rate for the State is .02483. Towns having a rate for school maintenance equal to or exceeding .02483 will share in equalization in December 1949 provided the basic measure of .020 on the state assessed valuation of the town fails to produce the minimum program provided for in the State Equalization Law. Since the town

of Whitefield comes within the limits of this law they will receive \$3,883.00 equalization next December 15. This money may be used only for school maintenance expenditures listed in the annual school report.

With a local school tax rate of 29 mills the town will be placed in the highest bracket for teacher subsidy as long as certified teachers are employed. This school tax rate signifies that we will receive \$850.00 per teaching position for the school year 1948-1949, which will be paid to the town treasurer next December 15. Last year the town was in the 20 mill bracket for teacher subsidy and we received \$580.00 per teaching position. If a teacher is not certified for a position and she teaches for a full school year the town will receive only \$300.00 for that teaching unit. We have been very fortunate in securing the services of seven certified teachers.

Whereas the present high school tuition law provides for \$125.00 maximum to be charged for out of town pupils there is also a provision made for schools offering three courses of study, two of which are vocational and State subsidized. This type of high school may charge \$150.00 maximum provided that at least 10% of its pupils are tuition students. We have been informed by Commissioner Ladd that this amount will probably be raised by the present legislature. We now have 42 pupils in high school and the town has paid \$2,487.92 tuition from September 1, 1948 to January 14, 1949. The tuition bills are not rendered in such a way that they can be all paid to date when the town books close on February first. With an enrollment of 14 pupils in the 8th grade we should have approximately 52 pupils in high school next Fall if all attend.

The hot lunch program sponsored by the Farm Bureau for the Kings Mills School is under the supervision of Mrs. Emma Chase. Twenty-three Farm Bureau ladies have very generously given their services in preparing meals for the pupils. For the

four months period September 1st to December 31st an average of 43 children received a warm meal each school day. These children pay 20 cents per meal and the Federal subsidy for the type of lunch offered is 9 cents per meal. Surplus food such as cheese, apple sauce, tomatoes, prunes and potatoes have been received and used in preparing the menu. We wish to express to the Farm Bureau our appreciation for the kind service which they are extending to the Kings Mills School.

We feel deeply indebted to Mr. Chester Chase for his kindness in fixing a play ground for the Church School. Mr. Chase furnished a bulldozer to level the ground in back of the school and hauled gravel to make the fill. He has placed iron pipe in cement foundations for swings and teter boards as prescribed by the State Dept. of Education. He has elected basketball goals and backboards for the enjoyment of the children. In brief Mr. Chase has constructed at the Church School a very modern playground for the youngsters wholly at his own expense. The Committee wish to express to Mr. Chase their deep appreciation for his generous gift to the school.

A meeting was called at No. Whitefield under the leadership of Mrs. William Bennett for the purpose of improving the playgrounds of the town schools. Chairmen were elected for each of the school districts and through volunteer labor the work has been partially completed. Work will be started again this spring and it is hoped that the playground of each school in town will be completed at an early date.

The following repairs have been made on the school buildings: No. Whitefield Schoolhouse has been painted outside and the ceilings whitened. At Kings Mills the shed has been shingled and the blackboards painted. The usual repairs have been made on the building at the Church School. At Coopers Mills new blackboards have been installed and the rooms have been papered. The Keyes Corner Schoolhouse has new electric lights which were installed just before the Christmas vacation. Also one side of the building has been shingled.

Due to the fact that we were faced with the problem of placing fire extinguishers in all schools before the opening last September we did not have sufficient funds to complete all of the repairs that should be made. The bill of putting in the electric lights at Keyes Corner and shingling one side of the building was a little more than we expected. In order to keep the buildings in good repair we should have \$700.00 appropriated for the repairs account.

We wish to express our sincere thanks to the community for their fine cooperation in helping to make our schools successful for the boys and girls who attend.

Respectfully submitted,

A. H. SNOW, *Supt. of Schools*

CONSOLIDATED SCHOOL COMMITTEE REPORT

Item 1. In accordance with the vote taken at the last town meeting, the separate Consolidated School Fund has been established with \$1,000 placed in it so far. Further explanation may be found in the Selectmen's report.

Item 2. Concerning taking an option as permission was granted last year, your committee has a site under consideration and would like permission to again seek an option as in last year's provision.

Item 3. A bill is before the present legislature seeking permission to form the Whitefield School District. This is a legal procedure necessary to increase the borrowing power of a town in order to build a school. It will not affect the town in any

way nor cost the town anything until such time as it shall be voted by the townspeople to accept or reject it. It will not be voted upon until sufficient State or Federal Funds or both shall be available to make it workable in our town.

The Committee recommends:

1. To continue a committee of 5 working with the School Committee and Selectmen to further consider ways and means as they develop.
2. To continue the seeking of a site and obtaining an option.
3. That the Selectmen insert an article in the warrant to read as follows—"to raise \$2,000, \$1,000 of which shall be placed in the Consolidated School Fund voted in 1946 and the other \$1,000 to be placed in the General Fund to replace the \$1,000 used to establish the Consolidated School Fund."

SELECTMEN'S REPORT

In looking over the reports of the various appropriations you will note some overdrafts, the largest being in Incidental Expenses. This was caused in a large measure by the No. Whitefield fire. A fire fighting expense of \$448.00. (We lost a valuation of \$3,750.00) Together with forest fire expense elsewhere in town of \$164.40. Fire fighting total overtown \$612.40. The extra expense of office supplies, Town books and all printed forms including town reports will easily account for the balance of overdraft.

Town Officers salaries are overdrawn because of added expense of the chairman, together with extra time worked by the other selectmen. In addition to this is the cost of carrying on four elections which is an added item together with the added costs of the Health Officer and Constables.

All gravel costs must be met by the town for unimproved and

Special Resolve built by the State. Consequently the overdraft of \$189.80 on the Vigue Road.

The total milage on which we break snow is 57.8 miles this year as compared to 55.5 of last year or 2.3 more. The cost is \$125.00 per mile. There isn't sufficient money appropriated when assisted with State Funds to cover the removal of snow, sanding (which is unpredictable) and the installation of snow fences, with prices at the present level and have roads plowed in the manner in which we are accustomed. May we hear from the taxpayers on Art. 31.

We have placed \$1,000.00 in a Consolidated School Fund in the Gardiner Savings Bank, which was taken from the General Fund used for the operating expenses of the Town.

PROPOSED BUDGET FOR 1949

Town Bridges	\$ 200.00
Town Roads	2,500.00
Patrolman	1,600.00
Cutting Bushes (town roads)	500.00

Town Warrant

TOWN OF WHITEFIELD

To DEBERT BRANN, a constable in the County of Lincoln and the State of Maine:

GREETINGS:

In the name of the State of Maine, you are hereby required to warn the inhabitants of the Town of Whitefield, qualified by law to vote in Town affairs, to meet at the Town House in said Town on the seventh day of March, A. D. 1949 at ten o'clock in the forenoon. (At the last Annual Town Meeting it was voted to adopt the Australian Ballot System, under which the polls have to be kept open four hours) close at 2 P. M. to act on the following Articles, to wit:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To hear and act on the report of the several town officers.

Art. 3. To elect:

Town Clerk

Selectmen, Assessors and Overseers of Poor

Treasurer

Road Commissioner

Collector of Taxes

A member of the school committee for three years

A Fire Ward and Inspector

Two Constables

Art. 4. To choose all other necessary Town Officers.

Art. 5. To fix a time when the taxes of 1949 shall be paid in full.

Art. 6. To see if the Town will vote to discount all taxes

of the current year, two percent if paid on or before a date to be set by a vote of this Town Meeting.

Art. 7. To see what sum of money the Town will grant and raise for repairs to town Roads.

Art. 8. To see what sum of money the Town will grant and raise for cutting bushes on Town roads.

Art. 9. To see what sum of money the Town will grant and raise for bridge repairs.

Art. 10. To see what sum of money the Town will raise and appropriate for Patrolman.

Art. 11. To see what sum the Town will vote to raise and appropriate for elementary and secondary schools including teachers wages, fuel, janitor services, conveyance, text books, lights, tuition and school supplies for desk and laboratory use.

Art. 12. To see what sum of money the town will grant and raise for repairs of school buildings for the ensuing year.

Art. 13. To see what sum of money the Town will grant and raise for the support of poor for the ensuing year.

Art. 14. To see what sum of money the Town will vote to grant and raise for aid to dependent children for the ensuing year.

Art. 15. To see what sum of money the Town will grant and raise for Town Officers salaries for the ensuing year.

Art. 16. To see what some of money the Town will grant and raise for incidental expenses for the ensuing year.

Art. 17. To see what sum of money the Town will vote to appropriate to decorate soldiers graves in town.

Art. 18. To see what sum of money the Town will grant

and raise to purchase gravel to be used on unimproved Roads in the Town of Whitefield for the ensuing year.

Art. 19. To see what sum of money the Town will grant and raise for maintenance and the cutting of bushes on third class roads.

Art. 20. To see what sum of money the Town will appropriate for State Aid Road Construction (in addition to the amounts regularly raised for the care of ways, highways, and bridges) under the provision of Secs. 25 and 29, Chap. 20 R. S., 1944 amended.

Art. 21. To see if the Town will raise and appropriate \$85.00 for Public Health Nursing in Whitefield, said sum to be expended by the State Bureau of Health for local service.

Art. 22. To see what sum of money the town will grant and raise for the three fire departments in town.

Art. 23. To see what sum of money the Town will appropriate to cover the cost of street lighting service in town for the ensuing year.

Art. 24. To see if the Town will authorize the selectmen to install a street light on the pole between the Cooper's Mills Church and the Cooper's Mills School.

Art. 25. To see if the Town will authorize the Selectmen to install a street light at the intersection of the Cooper's Mills and the North Whitefield Roads.

Art. 26. To see if the Town will vote to grant and raise \$2,000.00, \$1,000.00 of which shall be placed in the Consolidated School Fund voted in 1946 and the other \$1,000.00 to be placed in the General Fund to replace the \$1,000.00 used to establish the Consolidated School Fund.

Art. 27. To see if the Town will vote to authorize the Selectmen to secure locations suitable for the purpose of dump-

ing refuse, garbage, etc., such sites to be known as town dumps.

Art. 28. To see what sum of money the Town will appropriate for the lease or purchase of land for dumping locations as mentioned in article 27.

Art. 29. To see whether or not the voters of the Town of Whitefield will vote to accept the following ordinance:

Sec. 1. That it shall be unlawful for any person, firm or other group to sell, offer for sale or give away any fireworks, pyrotechnics of all kinds and description, except sparklers, and the devices used for discharging the same within the limits of the Town of Whitefield.

Sec. 2. That it shall be unlawful for any person to use any fireworks as described in Sec. 1 except sparklers, within the Town of Whitefield, except for public displays, supervised by the Local Fire Department.

Sec. 3. Nothing in this ordinance shall apply to the sale, possession or use of ammunition, firearms, dynamite, flares, or explosive devices for lawful signal purposes.

Sec. 4. Violation of the above ordinance shall be punishable by a fine of \$20.00.

Art. 30. To see if the Town will vote to appropriate \$948.00, it being the balance due the state on the account of the Hickey Bridge.

Art. 31. To see if the Town will authorize the selectmen to contract the snow breaking for a period of one to three years.

Art. 32. To see what sum of money the Town will grant and raise for interest charges for the ensuing year.

Art. 33. To see if the Town will vote to authorize the Selectmen to sell the snowplow formerly used on the old Town Truck.

Art. 34. To see if the Town will vote to authorize the selectment on behalf of the Town to sell and dispose of any

real estate acquired by the Town for non-payment of taxes thereon, for such terms as they may deem advisable and to execute quit-claim deeds for same.

Art. 35. To see if the Town will vote to hire money for the operating expense of the Town should the same become necessary.

Art. 36. To see if the Town will authorize the selectmen to settle the matured liens in the hands of the Treasurer.

Art. 37. To see if the Town will vote to appropriate the sum of \$300.00 to cooperate with the Maine Forest Service and the Federal Government in the Control of the White Pine Blister Rust in accordance with Revised Statutes Chap. 32, Sec. 54.

Art. 38. To see if the Town will vote to fix the wages of men, teams and trucks on the highway, and the salaries of the several town officers for the ensuing year.

Art. 39. To see if the Town will vote to use the Australian Ballot in 1950, or some other system.

Art. 40. To see if the Town will vote what officers shall be elected by the Australian Ballot System, and how many of each.

Art. 41. To see if the Town will vote to discontinue the section of the road leading from John Kastonowski's lane to Malloy's corner formerly known as the Henry Road.

Art. 42. To see if the Town will vote to accept a fund of \$200.00 from the estate of Alice Webber, the interest to be used for perpetual care of the Lizzie Northey and Carleton Philbrick Lots in the King's Mills Cemetery.

The selectmen will be in session at the Town House in said Whitefield at nine o'clock in the forenoon on the day of said

meeting for the purpose of correcting the list of voters in said town.

Hereof fail you not and have you there and then with this warrant with your doings thereon.

Given under our hands in the said Town of Whitefield this fifteenth day of February A. D., 1949.

Augusta, Maine
April 25, 1949

To the Inhabitants of the Town of Whitefield, Maine:

As requested by your Board of Selectmen, I have made an examination of the accounts of the various Town Officials for the year ending February first, 1949.

These include the records of the Tax Collector and Treasurer, a copy of which I attach hereto, together with various exhibits.

The attached Balance Sheet represents, in my opinion, the true financial condition of the Town.

I am sending a duplicate of this report to the Bureau of Municipal Audit at the State House.

Respectfully submitted,

S. S. WEBSTER

PUBLIC HEALTH NURSING

Annual Report

1949

At the close of the war, we had all hoped for a return to normal living, bringing a reduction in the cost-of-living, better housing, more doctors and nurses to carry out, not only a corrective but a preventive health program. Such has not been the case. We have unemployment, high cost-of-living, disabled and elderly persons, children not adequately cared for, overcrowded school facilities, to mention a few. Not only is this of concern to the Department of Health and Welfare, but to you, the taxpayers.

The Division of Public Health Nursing is striving for the betterment of the health of your community. All its services are available to you through your participation in the Public Health Program. Study the health needs of your community; study the services available to you; form a local health council to bring these facts before your people; consult your Public Health Nurse on health matters. Knowing your needs and the facilities to help meet these needs, planning wisely and pooling our efforts, should make our 1950 Public Health Program a Success.

The following is a report of Public Health Nursing for 1949:
Number of days spent in town — 22.

The regular program of home visiting to expectant mothers, infants and preschool children with special problems was carried out throughout the year. Conferences with school personnel and interviews with community members on problem cases, visits to families needing special services, all helped to solve some of our problems.

Special programs consisted of:

Child Health Conferences — 5.

Total attendance at C. H. C. — 63.

Physical examinations at C. H. C.—44.

Immunizations against diphtheria — 12.

Immunizations against whooping cough — 12.

Immunizations against tetanus — 8.

Immunizations against smallpox—19.

Audiometer testing for hearing loss in all schools resulted in 98 tests with one child having hearing loss. This child was referred to the Hard-of-Hearing Clinic Service.

In submitting the above report, may I thank you for your cooperation and ask that it be continued and strengthened in 1950.

Respectfully submitted,

EUNICE S. NOLLET

ANNUAL REPORT OF SCHOOL DEPARTMENT

One of the questions that bothers the average citizen about this time of year is how will our town proceed to get equalization in the future. Equalization which is obtained by dividing the school maintenance appropriation by the States valuation cannot be accurately determined in March because the average for the towns of the State is unknown at that time. Generally if a town receives equalization for one year the appropriation is less for that year and the local school tax rate is below the average of the State. Due to the fact that we appropriated \$2,600.00 less for school maintenance last year than in 1948 the town is below the average of the State in its local school tax rate. Also the State valuation of the town has been raised from \$486,000 to \$496,000.

With a local school tax rate of 24 mills the town will receive \$760.00 per certified teaching position as part of the State School Fund. We are not allowed to hire sanction teachers and it is very difficult to secure a permit unless a teacher

has the required number of educational credits. In either case the subsidy to the town would be only \$300.00

The rate of high school tuition per pupil per year for the high schools in which Whitefield students are enrolled is as follows: Cony \$151.56, Erskine Academy \$145.28, Gardiner \$146.63, Kents Hill \$161.26, Bridge Academy \$159.54, and Wiscasset Academy \$158.53. The maximum charge for the above named schools cannot exceed the States average of \$179.17 for this school year. The town is now paying high school tuition on 44 pupils of which 9 are seniors. We have enrolled in the eighth grade of the town schools at the present time 19 pupils that should be attending high school next fall.

The hot lunch program sponsored by the Farm Bureau for the Kings Mills School is under the supervision of Mrs. Emma Morse. Seventeen ladies of the community have given their services to help with the program. There are now 59 pupils being served a class A hot lunch each day. This service is not expensive for the larger families as when there are more than three in any one family all over that number get their lunch free.

The usual repairs have been made on the schoolhouses and at the present time all are in very good condition. The one big job that we had this last summer was the repair of the foundation for the Kings Mills Schoolhouse. This work has been completed with cement posts which should hold the building permanently.

Respectfully submitted,
A. H. SNOW,
Supt. of Schools

Town Warrant

TOWN OF WHITEFIELD

To DELBERT BRANN, a Constable in the County of Lincoln and the State of Maine:

GREETINGS:

In the name of the State of Maine, you are hereby required to warn the inhabitants of the Town of Whitefield, qualified by law to vote in Town affairs, to meet at the Town House in said Town on the sixth day of March, A. D. 1950 at ten o'clock in the forenoon. (At the last Annual Town Meeting it was voted to adopt the Australian Ballot System, under which system the polls have to be kept open four hours.) Close at two P. M. to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To hear and act on the report of the several town officers.

Article 3. To elect:

Town Clerk

Selectmen, Assessors and Overseers of the Poor.

Treasurer

Road Commissioner

Collector of Taxes

A member of the School Committee for three years.

A Fire Ward and Inspector

Two Constables

Article 4. To choose all other necessary Town Officers.

Article 5. To fix a time when the taxes of 1950 shall be paid in full.

Article 6. To see if the Town will vote to discount all taxes of the current year, two per cent if paid on or before a date to be set by a vote of this Town Meeting.

Article 7. To see what sum of money the Town will grant and raise for repairs to town roads.

Article 8. To see what sum of money the Town will grant and raise for cutting bushes on town roads.

Article 9. To see what sum of money the Town will grant and raise for bridge repairs.

Article 10. To see what action the Town will take in regard to the closing of the Ford Bridge, so called.

Article 11. To see what sum the Town will vote to raise and appropriate for elementary and secondary schools including teachers wages, fuel, janitor services, conveyance, text books, lights, tuition and school supplies for desk and lavatory use.

Article 12. To see what sum of money the Town will grant and raise for repairs of school buildings for the ensuing year.

Article 13. To see what sum of money the Town will grant and raise for the support of the poor.

Article 14. To see what sum of money the Town will grant and raise for aid to dependent children for the ensuing year.

Article 15. To see what sum of money the Town will grant and raise for Town Officers salaries and for reimbursement for the second and third Selectmen for out of town business for the ensuing year.

Article 16. To see what sum of money the Town will grant and raise for incidental expenses for the ensuing year.

Article 17. To see what sum of money the Town will vote to appropriate to decorate soldier's graves in Town.

Article 18. To see what sum of money the Town will vote to grant and raise to purchase gravel to be used on unimproved roads in the Town of Whitefield for the ensuing year.

Article 19. To see what sum of money the Town will vote to grant and raise for the removal of the knoll located near the former Bradbury farm, so called.

Article 20. To see what sum the Town will raise and appropriate for State Aid Road Construction. (In addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 25 and 29, Chapter 20 R. S. 1944, as amended.

Article 21. To see if the Town will raise and appropriate \$85.00 for Public Health Nursing in Whitefield. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Article 22. To see what sum of money the Town will grant and raise for the three Fire Departments in Town.

Article 23. To see what sum of money the Town will appropriate to cover the cost of street lighting service in Town for the ensuing year.

Article 24. To see what sum of money the Town will vote to grant and raise to be applied to the Consolidate School fund.

Article 25. To see what action the Town will take in regard to the driveway between Route 126 and the Davenport or former Frank Hatton residence.

Article 26. To see what sum of money the Town will vote to grant and raise for the purpose of repairing the road between the residence of Fred West and the Northey School House.

Article 27. To see if the Town will vote to appropriate \$1,500.00 to be applied to the account of the Albee Bridge.

Article 28. To see if the Town will authorize the Selectmen to contract the snow breaking for a period of one to three years.

Article 29. To see what sum of money the Town will vote to grant and raise for snow removal for the ensuing year.

Article 30. To see what sum of money the Town will vote to grant and raise for interest money for the ensuing year.

Article 31. To see what sum of money the Town will appropriate for the Gardiner General Hospital.

Article 32. To see what sum of money the Town will appropriate for the Maine Publicity Bureau.

Article 33. To see if the Town will vote to appropriate \$600.00, it being the amount owed to Chester Colby for the purchase of the Colby Mill privilege as voted at the Special Town Meeting of April 13, 1949.

Article 34. To see if the Town will vote to authorize the Selectmen on behalf of the Town to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, for such terms as they may deem advisable and to execute quit-claim deeds for same.

Article 35. To see if the Town will vote to hire money for the operating expense of the Town should the same become necessary.

Article 36. To see if the Town will authorize the Selectmen to settle the matured liens in the hands of the Treasurer.

Article 37. To see if the Town will fix the wages of men, teams and trucks on the highways and the salaries of the several town officers for the ensuing year.

Article 38. To see if the Town will vote to use the Australian Ballot System in 1951, or some other system.

Article 39. To see whether or not the Town will vote to enter into a contract with Central Maine Power Company for a term of ten (10) years, whereby, in consideration of the furnishing of street lighting service to the Town during the term of said contract, all as more fully set forth in the contract, copy of which has been presented to this meeting, the Town will pay for such street lighting service in accordance with the Company's municipal street lighting rate—contract basis.

Article 40. To see what action the Town will take with reference to authorizing the Selectmen to execute and deliver the contract referred to in the preceding Article.

Article 41. To see what action the Town will take with reference to raising the necessary money to cover the street lighting service.

Article 42. To see if the Town will vote what officers shall be elected by the Australian Ballot System and how many of each.

To act on any other business which may legally come before the meeting.

The Selectmen will be in session at the Town House in said Whitefield at nine o'clock in the forenoon on the day of said meeting for the purpose of correcting the list of voters in said Town.

Hereof fail you not and have you there and then with this warrant and your doings thereon.

Given under our hands in the said Town of Whitefield this Twenty-fifth day of February, A. D. 1950.

CLINTON S. JEWETT

GEORGE H. HAUSEN

July 13, 1950

To the Inhabitants of the Town of Whitefield:

As requested by your Board of Selectmen, I have made an examination of the accounts of the various Town Officials for the year ending February first, Nineteen Hundred and Fifty.

These include the records of the Tax Collector and Treasurer, together with other pertinent schedules, which I attach hereto.

The attached Balance Sheet represents, in my opinion, the true financial condition of the Town.

A duplicate of this report is being sent to the Bureau of Municipal Audit at the State House.

Respectfully submitted,

ARDEN NILSEN

ANNUAL SCHOOL REPORT 1950 - 1951

The enrollment of the schools in the town is as follows: Coopers Mills Primary 23, Coopers Mills Grammar 18, North Whitefield 27, Church School 28, Keyes Corner 24, Kings Mills Primary 30, and Kings Mills Grammar 31. To equalize the enrollment in the schools we have conveyed all pupils from James Brann's home toward Coopers Mills to the Coopers Mills schools. This change has made an increase of only two pupils in the Primary School over last year while the Grammar School has two less. Without this change the Church School would have had 38 pupils which is beyond the capacity of the building.

With an appropriation of \$14,600.00 for school maintenance last year our local school tax was .02943. This figure will assure the town of \$3,487.00 equalization next December, providing that the State has sufficient money to pay in full. Although the law provides for fixed sums to be paid by the State for equalization and State School Fund the outlook this year is to receive approximately 10% less because of insufficient funds in the State Treasury.

The rate of high school tuition for the town is continuously increasing. We are now paying tuition on 50 pupils with only five to graduate from the senior class next Spring. With an enrollment of 18 pupils in the 8th grade of the town schools we should have approximately 63 attending secondary school next September. This will mean an increase of 25 students over the 4 year period September 1947 to September 1951. As you will notice from our financial report the amount expended for high school tuition last year was \$6827.54 while the estimated amount to be paid for the 1951-'52 school year will be \$8300.00.

We have repaired the schoolhouses to make them as com-

fortable as possible with the money at our disposal. With the cost of building materials and labor as high as it is today, one hundred dollars expended on a building does not make many improvements. We would like to have sufficient money to paint at least one of the buildings outside this coming year.

We wish to thank the Farm Bureau and Mrs. Emma Blair for their excellent cooperation in helping the Kings Mills Hot Lunch Program. The play ground equipment donated to the Coopers Mills School by Chester Chase has greatly improved the play facilities of that school. The libraries loaned to the schools by the P. T. A. have been very useful as supplementary reading material. We wish that some civic organization of the town would help us purchase soft ball equipment for use in better organized play for the Whitefield boys and girls this spring.

Respectfully submitted,

A. H. SNOW

PUBLIC HEALTH NURSING

1950

Greetings:

The tense situation in our country at the present time calls for a combined pooling of town, state and government resources. As I have stated in previous years, a Public Health Nurse working alone, or with a few community helpers, cannot give all the needed services. A strong, organized local committee, aware of

the health needs of the community, and the facilities for meeting those needs is a MUST, if we expect to carry out our work efficiently during the coming years of possible war, with its demands upon our medical, nursing and industrial resources. The idea of a Local Health Council is not new. Community members are interested, but so far, no progress has been made toward this goal. If this could be accomplished in 1951, I assure you your community would receive great benefits.

Public Health Nursing Services for 1950 consisted mainly of home visits to families needing that service. Special services were used as indicated.

Four Child Health Conferences were held with an average attendance of 15 infants and preschool children. Each child was given a physical examination and offered free immunization by the town. 12 children were vaccinated for smallpox; 6 immunized against diphtheria and whooping cough and 20 against tetanus.

Here again is demonstrated the need of an organized group. Your town is sufficiently large to benefit from monthly Child Health Conferences, providing transportation facilities to all families interested in attending.

The following are suggestions for a 1951 Health program.

1. Organization of Local Health Council to plan and conduct monthly Child Health Conferences.

2. Town-wide immunization for diphtheria, whooping cough, tetanus, and smallpox.

3. Audiometer testing in all schools.

4. Tuberculin testing in all schools if the town wishes to sponsor this at an approximate cost of 3c per child.

In closing, I wish to thank all those who have so faithfully supported the program this year.

Respectfully submitted,

EUNICE S. NOLLET, R. N.

Public Health Nurse

REPORT OF THE CONSOLIDATED SCHOOL COMMITTEE

The Consolidated School Committee has held three meetings this year. The primary purpose of these meetings was to select a suitable site for a school.

Seven members of the committee were present when several pieces of property were investigated, and these members decided that the piece of land on Route 126 owned by Joseph Dion, and located across the road from the Catholic Church, containing five acres is the most suitable site available.

Further investigation was postponed due to the difficult buying conditions at this time.

Town Warrant

TOWN OF WHITEFIELD

To DELBERT BRANN, a Constable in the County of Lincoln and the State of Maine:

GREETINGS:

In the name of the State of Maine, you are hereby required to warn the inhabitants of the Town of Whitefield, qualified by law to vote in Town affairs, to meet at the Town House in said Town on the fifth day of March, A. D. 1951 at ten o'clock in the forenoon. (At the last Annual Town Meeting it was voted to adopt the Australian Ballot System, under which system the polls have to be kept open four hours.) Close at two P. M. to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To hear and act on the report of the several town officers.

Article 3. To elect:

Town Clerk.

Selectmen, Assessors and Overseers of the Poor.

Treasurer

Road Commissioner

Collector of Taxes

A member of the School Committee for three years

A Fire Ward and Inspector

Two Constables.

Article 4. To choose all other necessary Town Officers.

Article 5. To fix a time when the taxes of 1951 shall be paid in full.

Article 6. To see if the Town will vote to discount all taxes of the current year, two per cent if paid on or before a date to be set by a vote of this Town Meeting.

Article 7. To see what sum of money the Town will grant and raise for repairs to town roads.

Article 8. To see what sum of money the Town will grant and raise for cutting bushes on town roads.

Article 9. To see what sum of money the Town will grant and raise for bridge repairs.

Article 10. To see what sum the Town will vote to raise and appropriate for elementary and secondary schools including teachers wages, fuel, janitor services, conveyance, text books, lights, tuition and school supplies for desk and lavatory use.

Article 11. To see what sum of money the Town will grant and raise for repairs of school buildings for the ensuing year.

Article 12. To see what sum of money the Town will grant and raise for the support of the poor.

Article 13. To see what sum of money the Town will grant and raise for aid to dependent children for the ensuing year.

Article 14. To see what sum of money the Town will grant and raise for Town Officers' salaries and for reimbursement for the second and third Selectmen for out of town business for the ensuing year.

Article 15. To see what sum of money the Town will grant and raise for incidental expenses for the ensuing year.

Article 16. To see what sum of money the Town will vote to appropriate to decorate soldiers' graves in Town.

Article 17. To see what sum of money the Town will vote to grant and raise to purchase gravel to be used on unimproved roads in the Town of Whitefield for the ensuing year.

Article 18. To see what sum the Town will grant and raise for State Aid Road Construction. (In addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 25 and 29, Chapter 20 R. S. 1944, as amended.

Article 19. To see if the Town will grant and raise \$85.00 for Public Health Nursing in Whitefield. Said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Article 20. To see what sum of money the Town will grant and raise for the three Fire Departments in Town.

Article 21. To see what sum of money the Town will grant and raise to cover the cost of street lighting service in Town for the ensuing year.

Article 22. To see what sum of money the Town will vote to grant and raise to be applied to the Consolidated School Fund.

Article 23. To see if the Town will vote to take \$300.00 from the Consolidated School Fund to purchase a piece of land on Route 126 from Joseph Dion to be used for Consolidated School purposes, and to authorize the Selectmen and Treasurer to complete the purchase.

Article 24. To see if the Town will authorize the Selectmen to contract the snow breaking by bids for a period of one to three years.

Article 25. To see what sum of money the Town will vote to grant and raise for snow removal for the ensuing year.

Article 26. To see what sum of money the Town will grant and raise for interest money for the ensuing year.

Article 27. To see what sum of money the Town will grant and raise for the Gardiner General Hospital.

Article 28. To see what sum of money the Town will grant and raise for the Maine Publicity Bureau.

Article 29. To see if the Town will vote to authorize the Selectmen on behalf of the Town to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, for such terms as they may deem advisable and to execute quit-claim deeds for same.

Article 30. To see if the Town will vote to authorize the Selectmen to procure a temporary loan or loans in anticipation of taxes for the purpose of paying indebtedness of the Town. Such notes to be paid during the current municipal year out of money raised during said current municipal year by taxes.

Article 31. To see if the Town will authorize the Selectmen to settle the matured liens in the hands of the Treasurer.

Article 32. To see if the Town will fix wages of men, teams and trucks on the highways and the salaries of the several town officers for the ensuing year.

Article 33. To see if the Town will vote to accept Sections 46 and 60 of Chapter 80 of the Revised Statutes of 1944 to elect officers by secret ballot in 1952.

Article 34. To see what officers shall be chosen by secret ballot according to Sections 46 and 60 of Chapter 80 of the Revised Statutes of 1944, and how many of each.

Article 35. To see what action the Town will take with reference to raising the necessary money to cover the street lighting service.

Article 36. To see if the Town will vote to grant and raise the sum of \$400.00 to cooperate with the Maine Forest Service and the Federal Government in control of White Pine Blister Rust, in accordance with Revised Statutes, Chap. 32, Sec. 54.

Article 37. To see if the Town will vote to grant and raise \$100.00 to be used as prize money and operating expenses for an exhibit of 4-H projects, to be administered by County 4-H Agent, local 4-H Leaders, and a member to be nominated.

Article 38. To see if the Town will grant and raise \$1,000 to be expended for Civil Defense in the Town.

Article 39. To see if the Town will authorize the Town Officers to execute Civil Defense mutual aid compacts with other towns.

Article 40. To see if the inhabitants of the Town of Whitefield will vote to accept title to parcels as follows: Parcel known as the Howe Cemetery together with improved section with vault thereon; also right of way extending from highway around entire cemetery to the highway again. Said title shall be accompanied by a trust fund of not less than ten thousand dollars. (\$10,000.00) Income only shall be used to improve and forever keep well kept. The aforesaid to be known as the Coopers Mills Cemetery.

Article 41. To see if the Town will install a street light in front of the residence of Miss Winifred Reilly.

Article 42. To see if the Town will install a street light in front of the residence of William Glidden.

Article 43. To see if the Town will vote to install a street light in front of the residence of John Mullen.

Article 44. To see if the Town will vote to hold its Town Meeting on the first Saturday in March, instead of the first Monday, beginning in 1952.

The Selectmen will be in session at the Town House in said Whitefield at nine o'clock in the forenoon on the day of said meeting for the purpose of correcting the list of voters in said Town.

Fail not to make due returns of this Warrant with your doings thereon at or before said meeting to the Selectmen.

Given under our hands in the said Town of Whitefield this Twenty-first day of February, A. D. 1951.

Board of Selectmen
Whitefield, Maine

Gentlemen:

At your request, I have made an examination of the Records of the Town of Whitefield. In so far as could be ascertained within the scope of the examination, the transactions of the Town appear to have been appropriately handled.

The attached Balance Sheet represents, in my opinion, the true financial condition of the Town.

I am sending a duplicate of this report to the Bureau of Municipal Audit at the State House.

Very truly yours,

Perley R. Bailey
Auditor

ANNUAL SCHOOL REPORT

1951 - 1952

The Whitefield children are progressing much better under the present system where each teacher has four grades of less in her room. Since the teacher does not have to concern herself with all eight grades they have more time for single age groups. The children need to be met upon their own individual level which can be only thoroughly accomplished by having one or two grades to a teacher.

We have 174 pupils enrolled in the grade schools as follows: Coopers Mills Primary 23; Coopers Mills Grammar 20; Kings Mills Primary 31; Kings Mills Grammar 23; Keyes Corner 29; Church School 21 and No. Whitefield 27. Eighteen of this number are in grade 8 and will probably enter high school in September. We have endeavored to arrange the schools as far as possible so that no teacher would have over 30 pupils in her room. The State Board of Education recommends not over 25 pupils to a teacher as the best way of meeting the needs of individual instruction.

We are now paying high school tuition on 50 pupils registered in the following high schools: Erskine Academy 23; Cony High 10; Gardiner High 5; Wiscasset High 5; Bridge Academy 4; Portland 1; East Corinth 1; and New Sharon 1. Twelve of this number are seniors and will graduate from high school next June.

Under the new State Formula for the distribution of State funds the Town of Whitefield is placed in class 2 which means that the town will receive 55% of the expenditures for school maintenance. The class of each town is determined from the State valuation per pupil on April 1st. The valuation is determined by the board of equalization and the number of children will be the average of the last two enrollment reports of pupils being educated at public expense annually. For the

years 1951-'52 allocations will be based on the board of equalization statement filed on December 1, 1950 and on the public school enrollment reports for the school year 1949-'50.

The schools have all received instructional materials, books and supplies consistant with our budget. They may be considered as well provided for in school needs. All grades have the new Upton Arithmetic and the new American Book Co. English books. Our reading series is kept up to date from the Row Peterson Co. We have ordered some supplementary readers from Ginn and Co. as their series most nearly suppliments the Alice and Jerry series now being used in the schools. Most all of the books are of a recent copyright with the exception of some of the histories.

We have made the necessary repairs on all school buildings consistant with our budget. The schoolrooms are now neat and clean. New electric clocks have been installed in each of the class rooms. We have on hand sufficient paint, oil and materials to paint two of the schoolhouses outside this coming year. Our budget of \$700.00 was not enough to pay for the labor of painting. All buildings are in good condition with the exception of outside paint.

What the schools do, and what they can do is determined by the tradition and the will of the entire community, of which the schools are only a part. Comunity action cannot be properly separated from education as the two are closely correlated in the life of every school child. Our society today is based on many beliefs and a major task of education is to perpetrate these beliefs to the extent that the home, the church and the school cooperate for the betterment of youth.

The cooperation of Citizens, School Committee, Teachers and Town Officials is gratefully acknowledged.

Respectfully submitted,

A. H. SNOW

A. H. SNOW
Supt. of Schools

REPORT OF THE CONSOLIDATED SCHOOL COMMITTEE

Your Consolidated School Committee was appointed according to Town regulations and held its first meeting in June, 1951, at which time it organized, appointed committees and made plans for the ensuing year.

It was felt that the citizens of the Town in asking for, and having this committee appointed, charged it with the responsibility of an impartial investigation of the school needs of the town and if it was the opinion of the committee that a Consolidated School was the answer to the school problem, to proceed to carry the matter to a conclusion as far as the committee's present authority would permit.

The necessity for a school of this type was made evident from the existing conditions in our present school set up and your committee decided to proceed. A sub-committee was appointed to look over possible land sites bearing in mind centralized location, high ground, water supply, highway hazards, accessibility, sufficient acreage, and ease of excavation for foundations.

Regular meetings were held each month and reports of committees were read and discussed. At the August meeting the School Site Committee reported on a location that, in their opinion, met every requirement and the full committee was requested to meet at the location. Seven members were present at this meeting and approval was given to the location. The sub-committee contacted the owners of the property and they agreed to sell five acres at a price of \$500.00. Plans were drawn and the site surveyed was slightly over the five acres required.

At the meeting held in September at which the entire committee was present, it was voted to petition the Selectmen to call a special Town Meeting in order to place this matter before the citizens of the Town.

At this meeting it was voted to purchase the proposed site for \$500.00 and to use the funds from the Consolidated School Account. The Committee carried out your wishes, purchased the property, secured a Warranty Deed and had it properly recorded in the Registry of Deeds at the Committee's expense.

This is as far as your committee can go as the Maine School Building Authority, set up by the Ninety-Fifth Legislature is as yet undecided what procedure to follow in the method of application for funds, amount of bonds to be issued, rate of interest to be charged, and type and wording of Articles to be inserted in Town Warrants.

At the January meeting of your committee at which nine members were present, the above matters, also building plans and transportation problems were thoroughly discussed. A sub-committee was appointed to sit in with our school bus drivers and set up a transportation plan, costs, etc., for both a one or two session school day, and to have this report ready for submission to the full committee at the April, 1952 meeting.

It was also suggested that the Town appropriate an additional sum of money for the Consolidated School Fund as heretofore.

Your Committee will be glad to discuss this matter at the regular Town Meeting and, if possible, answer any questions that may arise.

PUBLIC HEALTH NURSING

As the new year approaches, it seems advisable to evaluate our progress in health work and to plan for the coming year. Health needs are constantly changing as our country struggles toward peace and economical security. These things affect all our lives, making it necessary for us to adjust financially, physically and morally. Standards of living can be either raised or lowered according to the families interest in shaping their own destinies. Services covering many phases of health are available to community members; the degree of benefits received depends on co-operative participation between families and services offered.

The following is a report on special nursing activities in 1951.

12 nursing days were spent in health work in your town.

3 immunization clinics, financed by town funds, resulted in 91 children protected against smallpox; 131 against diphtheria and whooping cough, and 128, against tetanus. In order to maintain a high level of protection against these diseases, repeated clinics for "booster doses" should be held every 2 years.

3 Child Health Conferences held resulted in an average attendance of 17 infants and preschool children. 44 physical examinations were given; 10 vaccinated against smallpox; 14 against diphtheria and whooping cough and 10 against tetanus.

Home visiting for follow-up work, and school visits have comprised the remainder of nursing time.

Again, may I remind you that, a well-rounded Public Health Nursing Program, requires not only a public health nurse, but a strong, active and well-informed local group to work with the nurse. If such a committee could be organized in 1952, your town would be greatly benefited by it.

In closing, I thank you for your participation in the Public Health Program for 1951, and hope we can strengthen and coordinate our efforts in 1952.

Respectfully submitted,

EUNICE S. NOLLET, R. N.

Public Health Nurse

WHITEFIELD 4-H FAIR

Over 200 interested persons visited Arlington Grange Hall the day of the 4-H Fair. 37 4-H members exhibited their animals, poultry and handiwork. We would like to see some exhibits from groups in Coopers Mills another year. We believe that one direct result of the Exhibition this year is the fact that there has been an increase in the number of 4-H projects started.

We of the Committee wish to thank those who were so generous in giving commodity prizes, cash and time. Those contributing:

Town Warrant

TOWN OF WHITEFIELD

To DELBERT BRANN, a constable in the County of Lincoln and the State of Maine:

GREETINGS:

In the name of the State of Maine, you are hereby required to warn the inhabitants of the town of Whitefield, qualified by law to vote in Town affairs, to meet at the Town House in said Town on the first day of March, A. D. 1952 at ten o'clock in the forenoon. At the last Annual Town Meeting it was voted to adopt the secret Ballot System, under which the polls will be kept open from 10:30 A. M. until 3:30 P. M. To act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To hear and act on the report of the several town officers.

Article 3. To elect:

Town Clerk.

Selectmen, Assessors and Overseers of the Poor.

Treasurer.

Road Commissioner.

Collector of Taxes.

A member of the School Committee for three years.

A Fire Ward and Inspector.

Two Constables.

Article 4. To choose all other necessary Town Officers.

Article 5. To fix a time when the taxes of 1952 shall be paid in full.

Article 6. To see what sum of money the Town will grant and raise for cutting bushes on town roads.

Article 7. To see what sum of money the Town will grant and raise for bridge repairs.

Article 8. To see what sum of money the Town will grant and raise for repairs to the Town roads.

Article 9. To see if the Town will vote to use the excise tax money taken in from February 1st, 1951 to February 1st, 1952 for improvement of Town roads in 1952, thus eliminating the necessity of appropriating money to repair the Town roads.

Article 10. To see if the Town will vote to instruct the Selectmen to use the balance of money, if any, from the town road improvement fund as follows: Beginning at the Pittston town line to construct the road leading past the homes of Charles Thayer, Jason Edgerly, Ernest Damon and others in a south easterly direction, one and seven tenth miles to State Aid Road No. 2, also known as Route 218.

Article 11. To see if the Town will vote to use the unexpended balance if any, of the road improvement fund on the Hunt's Meadow Road, so called, leading from the Windsor town line through Keyes Corner to the Pittston town line after the Reilly road has been completed.

Article 12. To see what sum the Town will vote to raise and appropriate for elementary and secondary schools including teachers wages, fuel, janitor services, conveyance, text books, lights, tuition and school supplies for desk and lavatory use.

Article 13. To see what sum of money the Town will grant and raise for repairs of school buildings for the ensuing year.

Article 14. To see what sum of money the Town will grant and raise for the support of the poor.

Article 15. To see what sum of money the Town will grant and raise for aid to dependent children for the ensuing year.

Article 16. To see what sum of money the Town will grant and raise for Town Officers' salaries and for reimbursement for the second and third Selectmen for out of town business for the ensuing year.

Article 17. To see what sum of money the Town will grant and raise for incidental expenses for the ensuing year.

Article 18. To see what sum of money the Town will vote to appropriate to decorate soldiers' graves in Town.

Article 19. To see what sum of money the Town will vote to grant and raise to purchase gravel to be used on unimproved roads in the Town of Whitefield for the ensuing year.

Article 20. To see what sum the Town will raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways, and bridges) under the provisions of Sections 25 and 29, Chapter 20, R. S. 1944, as amended.

Article 21. To see if the Town will grant and raise \$85.00 for public Health Nursing in Whitefield, said sum to be expended by the Maine Department of Health and Welfare. Bureau of Health, for local service.

Article 22. To see what sum of money the Town will grant and raise for the three Fire Departments in Town.

Article 23. To see what sum of money the Town will grant and raise to cover the cost of street lighting service in Town for the ensuing year.

Article 24. To see what sum of money the Town will grant and raise for Civil Defense.

Article 25. To see what sum of money the Town will vote to grant and raise to be applied to the Consolidated School Fund.

Article 26. To see if the Town will authorize the selectmen to contract the snow breaking by bids for a period of one to three years.

Article 27. To see what sum of money the Town will vote to grant and raise for removal of snow for the ensuing year.

Article 28. To see what sum of money the Town will grant and raise for interest money for the ensuing year.

Article 29. To see what sum of money the Town will grant and raise for the Gardiner General Hospital.

Article 30. To see what sum of money the Town will grant and raise for the Maine Publicity Bureau.

Article 31. To see if the Town will vote to authorize the selectmen on behalf of the Town to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, for such terms as they may deem advisable and to execute quit-claim deeds for same.

Article 32. To see what the Town will grant and raise to repair the Colby Dam.

Article 33. To see if the Town will vote to raise the sum of \$500.00 to remove the dam located at Coopers Mills, now owned by the Town of Whitefield.

Article 34. To see if the Town will vote to raise the sum of \$3,000 to repair the dam located at Coopers Mills now owned by the Town of Whitefield.

Article 35. To see if the Town will donate to the State of Maine the dam located at Coopers Mills now owned by the Town of Whitefield.

Article 36. To see if the Town will vote to discontinue the road from the former George Hausen place to the former Miles Fowles place.

Article 37. To see if the Town will vote to discontinue the Carlson road, so called, that lays in the Town of Whitefield—from State Aid Road No. 7 to the Chelsea town line.

Article 38. To see if the Town will vote to discontinue the road from Frank Crockers residence to the Thayer Road.

Article 39. To see what money can be raised and appropriated for repair of the Anna Benson road leading to eight cottages.

Article 40. To see what sum of money the Town will grant and raise for maintenance of third class roads.

Article 41. To see if the Town will vote to grant and raise

\$100.00 to be used as prize money and operating expenses for an exhibit of 4-H projects to be administered by County 4-H Agent and local 4-H leaders.

Article 42. To see if the Town will authorize the Selectmen to settle the matured liens in the hands of the Treasurer.

Article 43. To see if the Town will vote to authorize the Selectmen to procure a temporary loan or loans in anticipation of taxes for the purpose of paying indebtedness of the Town. Such notes to be paid during the current Municipal year out of money raised during said current Municipal year by taxes.

Article 44. To see if the Town will fix wages of men, teams, and trucks on the highways and the salaries of the several Town Officers for the ensuing year.

Article 45. To see if the Town will vote to accept Sections 46 and 60 of Chapter 80 of the revised Statutes of 1944 to elect officers by secret ballot in 1953.

Article 46. To see what officers shall be chosen by Secret ballot according to Sections 46 and 60 of Chapter 80 of the revised Statutes of 1944 and how many of each.

Article 47. To see if the Town will vote to grant and raise the sum of \$400.00 to cooperate with the Maine Forest Service and the Federal Government in control of White Pine Blister Rust in accordance with Revised Statutes, Chap. 32, Sec. 54.

Article 48. To see if the Town will vote to accept \$100.00, the interest of which would be used for perpetual care of Noah M. Leavitt Lot at the Coopers Mills Cemetery.

Article 49. To see if the Town will vote to instruct the

Selectmen to notify by mail all voters on record of the calling of each special Town Meeting within 48 hours of such call.

Article 50. To see if the Town will vote to use the Secret Ballot system if and when we vote to build a consolidated school.

Article 51. To see if the voters of the Town will vote to pay Social Security to all regular Town Officers.

Article 52. To see if the Town will vote to permanently close the Plains School.

Article 53. To see if the Town will authorize the Selectmen to sell the Plains School.

Article 54. To see if the Town will vote to build the Jewett Bridge, so called, and grant and raise the sum of \$2,000.00 for part payment.

Article 55. To see if the Town will vote to pay for the balance of the Jewett Bridge out of the General Fund.

Article 56. To see if the Town will authorize the Selectmen to sell to E. C. Weiblen, approximately ten foot strip of land running from Town ditch to the highway adjoining parallel to the driveway of said E. C. Weiblen. Said land to be used for planting trees, erecting a fence or some sort of protection along the river bank.

Article 57. To see if the Town will authorize the Selectmen to sell to Sarah A. Weeks a 10 foot strip of land along North side of P. O. at Coopers Mills as well as land extending from west side of P. O. to the right of way of Erwin C. Weiblen. Said conveyance to permit access to, and from the dam for the purpose of making necessary repairs to the dam.

The Selectmen will be in session at the Town House in said Whitefield at nine o'clock in the forenoon on the day of said meeting for the purpose of correcting the list of voters in said Town.

Fail not to make due returns to this Warrant with your doings thereon at or before said meeting to the Selectmen.

Given under our hands in the said Town of Whitefield this Twelfth day of February, A. D. 1952.

CLINTON S. JEWETT
GEORGE H. HAUSEN
GEORGE W. HALL

Selectmen of Whitefield
